

Sako 85 Black Bear

The Sako 85 Black Bear is a purpose built weapon for bear and wild boar hunters. This model features an adjustable single stage trigger, adjustable shallow “V” Express style rear sight with white bead front sight for fast target acquisition and a barrel band for front swivel. The patented Total Control Magazine Latch (TCL) prevents accidental release of the stainless steel magazine under the heaviest recoil or harshest hunting conditions. If desired the magazine may be top-loaded without being removed from the rifle. The forged one piece bolt with three locking lugs offers fast, smooth cycling with controlled round feed and mechanical case ejection.

- Barrel – Short, fluted, free-floating, cold-hammer forged bull barrel
- Trigger – Single stage with adjustable pull from 2 to 4lbs
- Action – Sizes matched to cartridges; mechanical ejection and integral tapered scope mount rail
- Safety – Bolt handle lock allows loading and unloading of the rifle with the safety engaged
- Stock – Black composite stock with soft gripping surfaces
- Sights – Adjustable Express “V” rear, white bead front and integral dovetail for scope mounts
- Magazine – Detachable and can be loaded through the ejection port

Caliber	JCODE	Rate of Twist	Overall Length	Barrel Length	Length of Pull
.308 WIN	JRSB516	11”	41 1/8”	21 1/4”	14”
.30-06 SPRG	JRSB520	11”	41 1/2”	21 1/4”	14”
9.3x62	JRSB554	14”	41 1/2”	21 1/4”	14”
