

MIL-SPEC ATACR™

1-8x24mm F1 S-VPS KIT

LIMITED PRODUCTION RUN

The MIL-SPEC line of scopes are adapted versions of the proven ATACR™ family. Nightforce MIL-SPEC riflescopes undergo additional testing to ensure that they will perform reliably, repeatedly, and without fail, when combat conditions are at their worst.

This is a limited production run of 300 units of the United States Special Operations Command (USSOCOM) Squad Variable Power Scope (S-VPS) which is part of the Miniature Aiming Systems-Day Optic (MAS-D) program. This includes a MIL-SPEC ATACR™ 1-8x24mm F1 with Horus TREMOR8™ Reticle and includes the accompanying accessories, mounting kit, tools, and manuals all in the commemorative hard case.
